

The Agriculture Appeals Office

The Agriculture Appeals Office is an independent agency established to provide an appeals service to farmers who are unhappy with decisions of the Department of Agriculture, Food and the Marine regarding their entitlements under certain schemes. The Agriculture Appeals Act 2001, along with the Agriculture Appeals Regulations 2002, sets down the functions of the Director and the Appeals Officers, the decisions that may be appealed and the procedures to be followed in respect of agriculture appeals. Under Section 14(1) of the Agriculture Appeals Regulations 2002, the decision of an Appeals Officer shall have regard to the principles of natural justice and comply with any relevant Legislation and Terms, Conditions and Guidelines of the Minister governing or relating to the scheme in question.

How To Make An Appeal

Every appeal must be made in writing and addressed to The Director, Agriculture Appeals Office, Kilminchy Court, Portlaoise, Co Laois R32 DTW5

- The notice must be lodged within 3 months of notification of the decision under appeal. An appeal received after 3 months will only be accepted if the Director considers that there are exceptional circumstances.
- Before submission of an appeal to the Agriculture Appeals Office, all internal review procedures within the Department of Agriculture, Food and the Marine must be exhausted.
- The notice of appeal should contain a statement of all the facts and contentions upon which it is intended to rely in the appeal. Documentary evidence submitted in support of the appeal should be enclosed along with the notice of appeal.
- A copy of the Department's final review decision letter should be enclosed.
- Proof of postage must be obtained. Claims of appeals being lost in the post cannot be accepted.
- There is no charge for lodging an appeal.
- Each appeal is given a reference number and this number should be quoted when contacting the Agriculture Appeals Office.
- All appeals are acknowledged within 10 days of receipt.
- If you do not receive an acknowledgement letter within that time you should contact the office.

Appeals Process

When a final decision issues from the Department of Agriculture, Food and the Marine (ie after internal Department review), you will be notified of your option to appeal.

- The scheme Applicant (Appellant), dissatisfied with the decision, must complete a "Notice of Appeal" form and submit it to the Agriculture Appeals Office.
- The Agriculture Appeals Office requests from the Department of Agriculture, Food and the Marine, the relevant file and a statement regarding the Appellant's grounds of appeal. **Your grounds of appeal will be forwarded to the Department of Agriculture, Food and the Marine for their comments and observations.**
- On receipt of the file and statement, the Director assigns the appeal to an Appeals Officer.
- Appellants are entitled to an oral hearing as part of their appeal. An oral hearing can be requested to be held in person or online.
- In some cases an Appeals Officer may deem it necessary to conduct an oral hearing even though no oral hearing is requested by the Appellant.
- The Agriculture Appeals Office will notify the Appellant when an oral hearing is scheduled.
- When no oral hearing is required, the Appeals Officer may contact the Appellant to discuss the appeal.
- The Appeals Officer may contact the Appellant or the Department during this process for additional information before issuing a decision.
- The Appeals Officer considers all the evidence in full (include any evidence presented at an oral hearing if there was one). The Appeals Officer makes a determination on the appeal and notifies the Appellant of the decision in writing (via post or email), setting out the reasons for that decision. The Department will also be notified of the decision.
